June 28, 2000

Buffalo District Engineer
ATTN: Mr. Roy Pilar
1776 Niagara Street
Buffalo, New York 14207-3 199

Dear Mr. Pilar:

Mr. Robert Gallucci (Town of Lewiston Engineer) and Mr. Bill Kovaleski recently discussed the possibility of getting funding for removal of the defunct Lewiston Treatment Plant located in the area now undergoing remediation by your group.

We would appreciate any help you can provide in obtaining funding for the above purpose. If you need any more information please contact me at the Lewiston Town Hall or at home (numbers above).

Sincerely,

Councilman Darwin James Langlois
Town of Lewiston
